

Membership Drive

The KABC is having a membership drive with the goal of 1000 members. Please check to see if you are currently a member. Download the updated membership list [here](#)! The December list of members contained some coaches that had not renewed their memberships.

Please re-check if you are a member of the KABC.

Remember, you will not be allowed to vote for Player and Coach of the Year awards if you are not a member. Also, neither you nor your players are eligible for awards if you are not a member.
